

PRESS RELEASE

Take a Master's degree at EHL Hospitality Business School for free

10 financial aid opportunities worth CHF 39,500 each are now available for eligible Swiss-based students who are interested in pursuing EHL's Master in Hospitality Management (MiHM)

Lausanne, 27 March, 2023 – EHL Hospitality Business School is committed to providing access to high quality education and empowering individuals to become future catalysts for change. To support the development of young talents for the hospitality industry and promote access to its academic programs, EHL is pleased to announce the availability of financial aid opportunities for 10 eligible Swiss-based students who are interested in pursuing the [Master in Hospitality Management \(MiHM\)](#) program. Deadline for applications is May 1st.

10 Financial aid opportunities covering the totality of the tuition fees of a value of CHF 39,500 each

Thanks to the recognition of the MiHM program by the University of Applied Sciences of Western Switzerland (HES-SO), 10 potential candidates can obtain financial aid to finance their tuition fees (representing a value of CHF 39,500 per student) for the entire 18-month duration of this hospitality management master. The financial aid is available for students of Swiss nationality, as well as certain foreign students who meet specific conditions*.

With the next intake starting September 2023 on EHL Campus Lausanne, the deadline for application to the program is fixed for May 1st for all candidates. Eligible

candidates are encouraged to apply via scholarship@ehl.ch and take advantage of this unique opportunity to boost a career in the dynamic and exciting hospitality industry.

EHL's Master in Hospitality Management : a step up for a successful career

The [MiHM](#) is taught full-time over three semesters (18 months) at EHL's newly redesigned Campus in Lausanne. The program covers a range of hospitality and service management topics including entrepreneurship & innovation, human-centric leadership, talent management, marketing, and customer centricity. The program also gives students the choice to specialize as they study with two academic routes offered in 2023: food and beverage management, or hospitality finance, real estate and consulting.

"Today's hospitality professionals have to be agile and innovative, ready to adapt to change and identify new avenues for growth. Our Master in Hospitality Management trains ambitious students to analyze data, prioritize, and make fast, effective decisions, and offers a context to develop their inter-personal and leadership skills. Their enhanced industry knowledge and capabilities will help them to become the next generation of hospitality leaders and seize new opportunities in this rapidly changing industry." says Dr Achim Schmitt, Dean of EHL Graduate School.
